## WELCOME TO AMITH GARMENT SERVICES

We are working since 1999 with the intension to serve Indian textile industry and trade for endsuring their quality of final product made. This is possible by controlling incoming quality of fibre / yarn / fabric and garment accessories and chemicals and also quality of final product made.

### OUR AIM

To keep in close touch with customer, understand his requirement technically and deliver value for his money.

### OUR GOAL

Ever since inception we have always grown exceptionally well year by year. This is the result of our dedication, pursuance and efficient service. We want to ensure this frowth rate and become leader in the field of Texture Testing and Quality Control Equipment Field.

### OUR RANGE OF INSTRUMENTS

1. Fabric / Garment testing & Quality Control Equipments.
2. Imorted Textile Lab consumables & Chemicals
3. General lab instruments.
4. Calibrations / repair of testing instruments.
5. Pantone products & international fashion magzines.
7. Yarn testing equipments.
8. Measuring & Inspection Tools.

### OUR RANGE OF SERVICES

- ★ **Offer consultation** to customers in choosing right instrument for their need.
- ★ **Timely delivery** of product which are made with best raw material, best manufacturing technology with strict **adherence to international standards** like ASTM, BS, ISO etc. Our instruments are made for fault free running. All instruments are supplied with calibration certificates with traceability and supplied with detail user manuals.
- ★ Installation, **demonstration, operator training.**
- ★ Supply of quality consumables from AATCC / SDC / James heal etc.
- ★ Annual maintenance schemes / instant repairs and **prompt after sales service** is provided to customer.
- ★ **Stand by machine** is provided to customer for avoiding work stoppage only on case to case basis at the sole discretion of Amith Garment Services.
- ★ Also we can **custom develop** quality testing instruments based on special requirement of customer.

**Quality Is Always Result Of Intelligent Effort**
